

CREATE AND INNOVATE

WITH ON-TREND HERBS & SPICES

READY TO BE INCORPORATED INTO YOUR DIETARY SUPPLEMENT

BITTER MELON

Traditionally used to support metabolic health.

ASHWAGANDHA

A powerful adaptogen known for reducing stress, enhancing energy, and promoting overall resilience.

TURMERIC

Anti-inflammatory and antioxidant benefits. Commonly used in joint health and digestive support formulas.

GINGER

Spicy yet soothing to the stomach. Contains proteins, lipids, vitamin B3, calcium and iron.

MACA ROOT

Nutritious root known for boosting energy and mood.

Consumers are more aware of the importance of wellness and personal health. They are looking for convenient ways to include more nutrition into their everyday life, with herbs playing a big part. This trend is a driving force for the projected 8.9% growth of the dietary supplements market over the next eight years.*

*Grand View Research

We supply bulk herbs to a range of supplements and nutraceutical brands.

See how some of our customers harness botanicals to create wellness in our world.

Herbal Supplement Brand

One of our direct-to-consumer herbal supplement brands that sells a wide variety of herbal-based products ranging from vitamins and teas to shampoos and soaps.

Supplement Manufacturer

A time-tested whole-food dietary supplement manufacturer using the highest quality wild-crafted and organic herbal ingredients like ginkgo biloba, chlorella, chamomile and more to make their brand of capsules, gummies, plant protein powders and essential oils. They also have private label capabilities, including custom formulations and packaging for other wellness and beauty brands.

Supplement Store

This health food store is located in the heart of Harlem, NYC and online. They carry plant-based supplements and bulk herbs with a focus on helping the local community get in shape and live a healthy life.
